Parks College of Engineering, Aviation, and Technology
Student Groups Funding Request Form

Student groups may apply for a limited amount of funds from the college. A committee will meet to consider funding requests. Student representatives will have the opportunity to make a brief (10-minute) presentation. The committee will make a recommendation to the Dean and funding determination will be announced thereafter.

A 1-2 page Executive Summary should be attached to this form. That summary should include the following:

- A description of the project
- A roster of all students participating along with their departmental affiliations
- A project timeline
- A description of the benefits of the project to themselves and the college
- A budget overview that includes funding received from other sources
