Why United

United offers a variety of paid internships throughout our company, so you can develop your professional skills in areas that interest you most. Be prepared to champion exciting projects, interact with division leaders and participate in a number of networking events which are created specifically to enhance your experience.

We constantly seek great talent from a variety of schools to help broaden our capabilities and enrich our company culture. Our internship assignments provide hands-on, real-world experience. As an intern with United, you are more than a student – you are a member of our team. Internships are available each semester and are based in various U.S. locations. Internships last a minimum of 10 weeks and can last as long as 6 months.

"My internship at United provided me with the opportunity to do challenging and rewarding work that made an impact on the company, while giving me the ability to see the world. What other internship allows you the freedom to go to Europe for the weekend and be back at work on Monday?"

– Jaspreet S., Passenger Systems Intern

"At United Airlines, my work as an intern was important. Millions of customers relied on me to do my job accurately and safely."

– Alex W. Engineering Intern

"United Airlines’ internship program soars above the competition with respect to endless opportunities, airline experience, and most of all, collaborative teamwork. Here I learned to work together as one; we are United."

– Charlie S. Product and Brand Marketing Intern
Opportunities
Internships vary by semester, and may include (but are not limited to):

- Airport Operations

Benefits
As an intern at United, not only will you expand your work experience, you will also be eligible for several benefits.

Career development
As a future graduate, you’re developing skills that are high demand in the airline industry; the analytical focus to devise new solutions to complex challenges, the need to think proactively, and the opportunity to take your career – and our company – to the next level.

Financial
Most internships are paid with competitive wages. Interns that live 50 miles or more from their internship location may be eligible for a relocation stipend.

Travel
Interns and a travel companion can enjoy unlimited, space available travel on United® and United Express®. Interns are also eligible for a 20% discount when purchasing tickets.

401(k) Plan
United will contribute two percent of your eligible earnings based on your age and years of service. United will also match the first four percent you contribute.

Employee discounts/services
United offers access to special discounts and/or services. Some discounts include: consumer electronics, financial services, art and entertainment and travel discounts.

“Great insight into an awesome organization. United airlines is a professional corporate environment that really invests in its interns. Also an exciting time to work in the airline industry. Taking the opportunity to intern at United Airlines was an excellent way for me to network and advance my career. I highly recommend the UA internship program to anyone who gets the opportunity.”

- Jessica H. Worldwide Sales Intern
