General Award Criteria:
To be eligible for these awards, students must meet all of the following criteria:
1. For undergraduate scholarships, at least 12 credit hours must be completed at St. Louis University by June 1, 2015.
2. GPA in good standing with the University. New graduate students GPA’s will be taken from their transcripts.
3. Have at least one major within Parks College
4. Meet any additional criteria noted by each individual award

Additional Important Information-PLEASE READ THE FOLLOWING:
1. If you are applying for more than one scholarship, check the scholarships you are applying for and turn in your completed application. You do not need to turn in a complete application and cover page for each scholarship. If you are applying for a scholarship with an essay requirement, please include the name of the scholarship(s) at the top of the page.
2. The letter of recommendation may be written by a past school, church or community leader or a Saint Louis University or Parks College faculty. Only one letter is needed with the application unless otherwise specified by a specific scholarship.
3. If Financial Need is a criteria for you make sure you address this need as specified on the scholarship requirements.
4. These awards are for tuition and/or any other specified fee from the University designated by the donor. Any amount of the award not needed by you will not be issued as a refund to you.

Awarding Process and Expectations of Recipients for all annual scholarships
To be considered for the awards, please sign and submit the application by April 16, 2015. By signing and submitting an application, you are providing, to the best of your knowledge, accurate information and granting the Parks College Scholarship selection committee and those persons responsible for managing this scholarship (Financial Aid, Office of Development) the right to review your academic records and other personal information that may aid in awarding this scholarship to you.

Notifications will be made by July 1. Awards are good for one academic year at SLU only; everyone must re-apply to be eligible to receive the award for an additional year. If received one year there is no guarantee that even upon reapplication you will receive the award for the following year.

Each recipient will be expected to participate in stewardship projects to thank the donor of the scholarship he or she receives. This may involve, but is not limited to, writing a letter of appreciation, submitting a photo and biographical information and attending a complimentary dinner or brunch to meet the donor(s).

I understand and agree to the above stipulations and to fulfill the requirements of my donors specifications in appreciation of the award(s) I receive. In addition, I will participate in any donor appreciation requests asked of me by the University Development Department to the best of my ability.
